Re: United States v. Scott Acheampong
19 Cr. 582 (AKH)

Dear Judge Hellerstein:

My client is scheduled for sentence on October 15, 2021. I write without objection of the government, by AUSA Ni Qian, to request an extension into early November 4 or 5, 2021, with a preference for conducting the sentence in person. I have been having difficulty recently communicating with my client, and gathering the supporting documents needed for the defense sentencing submission. Mr. Acheampong resides in Connecticut, and is currently employed in a warehouse job. He and I have scheduled an in person meeting for next week during which we will prepare for sentence, including gathering the necessary documents needed to finalize the submission.

Thank you very much for your attention, and should the Court have any questions, please contact the undersigned.

Sincerely,

Robert A. Soloway
